

# BENEFITS THAT ACTUALLY WORK.

- Orientation to your college campus, so you can learn your way around and find out about services that can make your path to success easier.
- Creating a roadmap to success by developing your education plan and helping you pick the right classes.
- In-person academic counseling and career guidance.
- Help getting the books and supplies you need.
- Transportation assistance, like bus passes, parking permits, and gas cards.
- Access to tutoring, so you can overcome any challenge.
- Food assistance is available when needed.
- Help with emergency housing, so finding a place to stay isn't always just on you.

**UNSTOPPABLE.**

*Services may vary from college to college.*
